

eYantra

Engineering a better tomorrow

Attributes		 Robotics Competition	 Innovation Challenge
General Information	Details or Web Link	portal.e-yantra.org	eyic.e-yantra.org
	Eligibility	Bonafide Students of Polytechnic or Under Graduate Engineering Colleges	Bonafide Students and Teachers of Polytechnic or Under Graduate Engineering Colleges
	Duration of engagement	6-8 Months	6-8 Months
	Formation of each Team / Group	4 Students (mandatory)	3 Students (Atleast) 4 Students (maximum)
		X	1 Teacher (mandatory)
	Individual Participation	X	For the technical training
	Fees (as per 2020)	INR 500 per Team Member	INR 400 / Participant (eLSI), INR 1000 / Participant (Non eLSI)
Fees paid by	Team Members	Individuals	
Benefit & Offerings	MOOC or Training	Training & Technology such as - ROS, Machine Learning, Image Processing, 3D Designing, Embedded Systems and much more (Subjects are limited to the specific theme for a specific year)	Domain Specific Training (Disaster Management Informatics) Innovation & Entrepreneurship
	Discounted Fees for eLSI colleges	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Constant Intensive Guidance & Feedback	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Hands-on Project-based Learning	<input checked="" type="checkbox"/>	<input type="checkbox"/>
	Opportunity to develop & showcase own idea	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	Personal Development	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Internship at IITB (Offered after successful completion and assessment)	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Dedicated embedded system Lab	<input type="checkbox"/>	<input type="checkbox"/>
	Training	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Talks by distinguished dignitaries	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Others	Hackathon Participation	<input type="checkbox"/>	<input checked="" type="checkbox"/>
